

WILL OF FRANCIS M. HALL, d1826

My best shot at arranging families, as given in the will. Colors indicate to whom each person or family was bequeathed.

Trust for Richard C. Hall, held by Francis M Hall & Mary Hall; Mary "Polly" Hall, widow; Francis Hall, son; Peggy Wootton, dau; Eleanor or Benjamin Young, grandchildren; Mary Hall, w/o son Richard C. Hall. Names in black were mentioned but deceased, or o/w mentioned though not actually accounted for in the will. Names here should be compared to the inventory. Trust, Mary, & Francis all stayed under unified management on the main plantation.
